3) The Director of Food Supplies have stated that though the fuel situation in Bangalore city has been improving there is still need for commandeering of "topes" and for "vigilant supervision" of the procurement arrangements to prevent the "recurrence of a crisis". He adds that the services of Mr C.I. Mathia are required for supervision of the working of the "Fuel Trading Company" and that his transfer from the department at this stage would cause serious dislocation of work as he is supervising the supply of fuel to the C & M Station, Bangalore and to the Army. He therefore requests sanction to continue Mr Mathia as Special Officer, Fuel Supplies, till the end of June 1946 as has been ordered in the case of certain other officers of the department (vide G.O. No. 1284-937 A 237-1164 Dt 29/31.8.1945 — Hqrs. W)

4) It is not known if the police dept would not need the services of Mr Mathia till the end of June 1946. The I.G. of police has perhaps to be consulted on this point. Provision has, however, been made in the budget of the Food Supplies department for the salary of the

GOVERNMENT OF MYSORE

No. C1.264/45-46. OFFICE OF the Director of Food Supplies,
Encls. in Mysore, Bangalore,
CRETARIAT Date the 12th September 1945.

To

The Secretary to Government,
Development Department (Food Supplies),
Bangalore.

Sir,

Subject: Continuance of Mr. C.I. Machia, B.A., as Special Officer, Fuel Supplies, Bangalore City.

Adverting to Government Order No. SD.267-71/A.41-44-33 d dated 14/18th July 1945 sanctioning the continuance of Mr.C.I. Machia as Special Officer, Fuel Supplies, Bangalore City till the end of September 1945, I have the honour to state that though the fuel situation in Bangalore City has been improving there is still need for commandeering of topes and for vigilant supervision of the procurement arrangements to prevent the recurrence of a crisis. Further, the position as regards charcoal continues to be not quite satisfactory and requires the concentrated attention of the Officer. The services of the Officer are also required for the supervision of the working of the Fuel Trading Company and to render that Company necessary assistance by the commandeering of topes, providing transport facilities, etc.

2. Mr. C.I. Machia has been in charge of the fuel supply arrangements for Bangalore City ever since the introduction of the Fuel Control Orders and his transfer from this Department at this stage would cause serious dislocation of work as he is supervising the supply of fuel to the Civil and Military Station and to the Army.

3. In the circumstances, I request that sanction of Government may be kindly obtained to the continuance of Mr. C.I. Machia as Special Officer, Fuel Supplies, Bangalore City till the end of June 1946, as in the case of other Officers of this Department.

I have the honour to be, Sir,
Your most obedient servant,

DIRECTOR OF FOOD SUPPLIES.
